Roundtable Concept

- **Participants will be supportive of the broad mission of the Campaign and interested in the connection between housing and other sectors. Participation is...**

- Not an endorsement of specific policy goals;
- Not a formal endorsement of or partnership with the Campaign

- **Year 1 goal of Roundtable is cross-sector engagement. Roundtable organizations can be of varying sizes, ages, structures, and sectors**

- **Three (3) in-person meetings per year to receive updates and solicit feedback**
 - We ask that each org assigns 1 staff liaison to serve as point of contact and attend meetings
- **Engagement with Campaign can vary to the extent the organization wishes**

Heavier Engagement

Examples: Spread sign-on letters; write blogs for website; distribute campaign materials; Tweet/retweet

Lighter Engagement

Examples: Attend meetings; stay updated on campaign's progress; provide thoughts and feedback
